Relevant sales or industry experience

Businesses you would approach and your outreach plan

Resume or professional profile link (optional)

Commission program

BDRs earn 25% recurring commission on commissionable client payments, paid monthly as long as the client continues to pay. These roles are commission-only, with no base salary.

Managers earn 5% of assigned BDR commissions and 25% on their own eligible clients.

Example: \$1,000 commissionable client payment = \$250 BDR commission + \$12.50 manager override.

Unpaid invoices and free trials do not generate commissions. Written agreement governs eligibility.

☐ I understand the commission-only program and authorize RezSystems to contact me about this application. This application is not an employment or commission agreement.

Date

Do not include Social Security numbers, banking details, identity documents, or other sensitive personal information.
